

INTERNATIONAL CONFERENCE ON NANOTECHNOLOGY & MATERIAL RESEARCH

PENANG, MALAYSIA

2ND OCTOBER, 2025

**ICONMAR
2025**

TOPICS

- ✓ Advanced Characterization
- ✓ Biomaterials
- ✓ Materials Synthesis
- ✓ Computational Materials Science
- ✓ Electronic Materials
- ✓ Electronic, Optical & Magnetic Properties
- ✓ Materials Culture
- ✓ Materials Processing
- ✓ Materials for Energy & Environmental Applications
- ✓ Materials Theory
- ✓ MEMS & NEMS
- ✓ Microelectronic Fabrication
- ✓ Nanotechnology
- ✓ Optical & Photonic Materials
- ✓ Optoelectronics
- ✓ Organic Polymer Materials
- ✓ Mechanical Behavior of Materials
- ✓ Mechanical Properties & Nanomechanics

SUBMISSION

PUBLICATION

Publication Options for Conference Papers

Authors participating in the conference have the option to publish their papers in one of the following:

International Journal of Nanoelectronics and Materials (IJNeaM), Impact Factor: 0.7, Q4 (WOS-Indexed Journals)

or

Proceedings of the 2nd International Conference on Nanotechnology and Materials Research (Scopus Indexed)

The conference fee will vary depending on the selected publication option. The final decision regarding the publication venue will be recommended by the Editorial & Publication Committee and will be communicated during the notification of acceptance.

THE BEST
PAPER
AWARD

REGISTRATION FEE

Local

- Participant (Journal) **RM 1400**
- Subsequent Submission (Journal) **RM 900**
- Participant (Proceeding) **RM 800**
- Attend Only **RM 300**

International

- Participant (Journal) **USD 400**
- Subsequent Submission (Journal) **USD 300**
- Participant (Proceeding) **USD 250**
- Attend Only **USD 150**

IMPORTANT DATES

- Full paper submission **Sept 14, 2025**
- Camera-ready paper submission **Sept 30, 2025**
- Conference registration **Sept 30, 2025**
- Conference date **Oct 2, 2025**
